Mr. Chrispin,

I will not be continuing my employment with Bucyrus City Schools after the 2021-2022 school year. I was offered another position and have accepted it this afternoon 7/9/2022. Thank you for the opportunity to learn and grow with the wonderful teachers and staff at Bucyrus City Schools. Please let me know if there is any other information I need to provide.

Sincerely,

Michael Pond
