Dear Mr. Blankenship,

Please consider this my resignation letter as CFO/Director of Operations at Bucyrus City Schools, effective at the close of business on July 31, 2023.

The past eleven years at Bucyrus City Schools have been a wonderful experience that I will reflect fondly on. I have had the opportunity to work with an amazing team of people that have ensured clean audits and the strongest fiscal position the district has ever been able to enjoy – a position that should enable years of stability if managed properly. I consider my team like family, and will cherish those relationships well into the future.

Although there is much to do, I am proud that we have left the fiscal and operational aspects not only better than I found them – rather, excelling. That is my main goal in serving any organization, and a testament to the team surrounding me on a daily basis.

It is widely known that I have accepted a position with Tiffin City Schools as their next CFO/Treasurer. I look forward to employing my business acumen and experience to benefit their students, staff, and community – just as I have at Bucyrus.

I wish my team, students, and the community of Bucyrus nothing but the best of luck moving forward!

It has been an honor to serve,

Ryan Cook
