*Like all good things, my time at Bucyrus City schools must come to an end.*

*May 30, 2024 . It has certainly been an amazing ride throughout these past 25 years. We have achieved such great heights and become one of the most successful districts in Crawford County. I look forward to hearing of the new achievements the future has in store for this district. When my last day finally arrives and I walk out the doors, I will be able to look back with pride on what has been accomplished. If the need should arise feel free to contact me.*

*I would like to thank all my coworkers over the years for all the help and advice you've given me during my time here. It was an honor to work alongside you and learn how to become a true professional. You took a chance when hiring me and I will always be grateful for the amazing opportunity.*

*In retirement I plan to travel and enjoy my family. Most of all, I just want to relax and not live by the clock any longer.*

*Your Friend,*
