Dear Mr. Britton,

I would like to officially notify you of my intent to retire, effective September 1, 2024. My paperwork will be submitted to SERS on June 1, 2024. I would like to request any severance due.

I truly enjoyed working at the Bucyrus City Schools for the past 27 years. It is a wonderful place full of great staff and students.

Thank you for this opportunity, and I am looking forward to retirement.

Sincerely,

A handwritten signature in cursive script that reads "Linda M. Ross".
