**RE: Bucyrus City Schools: Lincoln Center Locker Room Renovation
Bidder Qualification**

Dear Mr. Cook:

Bid proposals were received for the subject project on Friday March 23, 2018 with five bidders responding to and meeting the submittal criteria for the opportunity. Construction Services Inc. (CSI) is the apparent low bidder submitting a base bid of \$94,000.00. The published project estimate was \$102,425.00, therefore the CSI bid falls within the 10% allowable margin of variation.

CSI has provided a contact list consisting of four separate references; all four of the references were able to respond to the bidder's qualification and background check request. The references included the University of Findlay, Bluffton City Schools, Findlay City Schools and First Citizens National Bank. All respondents were very positive in their rating of the quality of work, the integrity of the company, stating their work is excellent and they are able to work well with the owners and are diligent to complete projects on time and within budget. Each responders went as far to volunteer that they would select this bidder directly if given the opportunity; the University of Findlay currently has CSI under contract for multiple projects.

Based on my conversations with the respondents of the reference list I would recommend proceeding with contracts with CSI for the Lincoln Locker Room Renovation project.

Sincerely,
GPD Group
