

The following items are proposed changes to the Bucyrus Elementary School Student and Family Handbook for the 22-23 school year. All new changes are highlighted in red text on the attached pages with the previous version attached and highlighted in yellow for comparison.

1. Pages 5-8
  - a. Edits to administrative and school staffing due to resignations and reassignments that occurred earlier in the summer
2. Page 14
  - a. The previous version still mentioned free lunch for everyone, but this is no longer applicable. Revised version lists the current lunch prices for the 22-23 school year.
3. Page 32
  - a. Made adjustments to district testing based on the 22-23 testing calendar and the current assessments being used.
    - i. Section 3: DRA *may* be used if needed for Tier 2 and 3 students to track reading progress as we transition, but the new Open Court curriculum and Reading Mastery/ Corrective Reading programs should give the same information.
    - ii. Section 3: NWEA/MAP assessments are no longer given. iReady is currently used and was used in 21-22 as well. Due to the switch to iReady, science is no longer an assessment option for diagnostic testing.
    - iii. Section 5: 2nd and 5th graders take the NNAT3, not the Terra Nova and InView, to help identify gifted students.
4. Pages 43-44
  - a. The 21-22 calendar was in the handbook. Updated to include the approved 22-23 calendar.

Respectfully submitted,

Sheryl Hernandez  
BES Principal

## Bucyrus Elementary School Student & Family Handbook

### FOREWORD

#### Section 1 Intent of Handbook

Welcome to Bucyrus Elementary School. This handbook is intended to be used by students and parents to provide general information about Bucyrus Elementary School and to serve as a guide to the district and school policies. It contains many practices and pieces of information that are necessary for the day-to-day operation of Bucyrus Elementary School.

Each parent is responsible for becoming familiar with the handbook, familiarizing their children with the handbook, and knowing the information contained in it. Although the information found in this handbook is detailed and specific on certain topics, the handbook is not intended to be all encompassing so as to cover every situation and circumstance that may arise. Should a situation or circumstance arise that is not specifically covered in this handbook, the administration will make a decision based upon applicable school district policies, state and federal statutes and regulations, and the best interests of the district.

The Crawford County Health Department will conduct vision, hearing, and other screenings at various grade levels. If concerns arise from the results of the screening, referral letters will be sent to the parents. Health department nurses are available as resources for health information for families. The phone number is 419-562-5871.

The district requires immunizations of students on the following basis:

1. Kindergarten children must have a complete immunization record.
2. Immunization records are requested for all students transferring into the district schools. If the previous school does not forward a record of it, or it is incomplete, it will be the parents' responsibility to comply with immunization requirements for students.

## Article 5 – BREAKFAST AND LUNCH

**Bucyrus Elementary participates in the National School Breakfast and Lunch Program.**

### Section 1 Breakfast

**FREE for ALL Students** - 8:25am – 8:40am, served in homerooms. A breakfast meal consists of 2 grains or 1 grain with 1 meat or meat alternative, fruit juice and milk. When 3 items are served, students must take the grain with a milk or juice. If there are 4 items served, students must take 3 items for the breakfast to be free.

### Section 2 Lunch

**FREE to ALL Students**-A lunch consists of 5 components: grains, meat/meat alternatives, fruit, vegetable and milk. In order to be considered a student meal, the student must select three of the five components and one of the components must be a ½ cup of fruit or vegetable. If a student purchases a milk only, the cost is \$.50.

### Section 3 Milk/Extra Food Payment

Each student has an account. Parents are encouraged to pay on a weekly basis. If paying by cash, exact change is recommended. If paying by check, make it payable to Bucyrus City Schools Food Service. Sending any form of money to school is best done in a sealed envelope with child's first and last name, grade, teacher's name, and amount enclosed for lunch account labeled on the outside of envelope. If money is for more than one child, please indicate amount for each child's account.

### Section 4 On-line Milk/Extra Food Payment

Payment can also be made on-line toward your child's account on the Bucyrus City Schools web page. Parents may pay and monitor their child's account on-line through PAYSCHOOLSCENTRAL via the food service page. Please click on the "apple" or Food Service link at the left of our main webpage.

### Section 5 NO Restaurant Food

Due to restrictions by law, commercial food is not permitted to be brought into the cafeteria by

60 to 69 = D Minimum Acceptable Achievement  
0 to 59 = F Unacceptable Achievement  
S = Satisfactory  
N = Needs Improvement  
U = Unsatisfactory

## Section 2 Reporting Periods

Students will receive a report card at the end of each 9-week period indicating their performance for each course of study for that portion of the academic term as listed on the district calendar. Grades can also be viewed on your child's Power School account.

## Section 3 Student Assessment

State-mandated assessment tests are given to Grades 3, 4, 5 students to monitor progress and determine educational mastery levels. These tests help the staff determine instructional needs.

The Developmental Reading Assessment (DRA) is given multiple times per year in grades K-3 to help determine if students are on-track with reading progress.

NWEA/MAP tests are given grades K-5 three times per year to assess student progress in reading, math, and science. These assessments are also used to determine educational needs and on-track progress of students. Result reports are to go home after each administration.

## Section 4 Field Trips

Field trips are academic activities that are held off school grounds. There are also other trips that are part of the School's co-curricular and extra-curricular program. No minor student may

participate in any school-sponsored trip without parental consent and a current emergency medical form on file in the office. Medications normally administered at school will be administered while on field trips. The Student Code of Conduct applies to all field trips.

- ▮ Attendance rules apply to all field trips.
- ▮ While the District encourages students to participate in field trips, alternative assignments will be provided for any student whose parent does not give permission for the student to attend.
- ▮ Students who violate school rules may lose the privilege to go on field trips.

## Section 5 Specialized Programs

**Enrichment Education:** All second grade students are administered the Terra Nova and InView tests in the spring to identify students who may be eligible for the enrichment education program. Teachers and/or parents may recommend students for enrichment education evaluation. The school district ensures equal opportunity for all district students identified as gifted to receive any services offered by the district.

The Crawford County Health Department will conduct vision, hearing, and other screenings at various grade levels. If concerns arise from the results of the screening, referral letters will be sent to the parents. Health department nurses are available as resources for health information for families. The phone number is 419-562-5871.

The district requires immunizations of students on the following basis:

1. Kindergarten children must have a complete immunization record.
2. Immunization records are requested for all students transferring into the district schools. If the previous school does not forward a record of it, or it is incomplete, it will be the parents' responsibility to comply with immunization requirements for students.

## Article 5 – BREAKFAST AND LUNCH

**Bucyrus Elementary participates in the National School Breakfast and Lunch Program.**

### Section 1 Breakfast

**FREE for ALL Students** - 8:25am – 8:40am, served in homerooms. A breakfast meal consists of 2 grains or 1 grain with 1 meat or meat alternative, fruit juice and milk. When 3 items are served, students must take the grain with a milk or juice. If there are 4 items served, students must take 3 items for the breakfast to be free.

### Section 2 Lunch

A lunch consists of 5 components: grains, meat/meat alternatives, fruit, vegetable and milk. In order to be considered a student meal, the student must select three of the five components and one of the components must be a  $\frac{1}{2}$  cup of fruit or vegetable. **Lunch prices are as follows: PreK to 5<sup>th</sup> is \$3.25 for full lunch or \$0.40 for reduced with the proper paperwork completed and approved. Extra entrees are \$2.00.** If a student purchases a milk only, the cost is \$.50.

### Section 3 Milk/Extra Food Payment

Each student has an account. Parents are encouraged to pay on a weekly basis. If paying by cash, exact change is recommended. If paying by check, make it payable to Bucyrus City Schools Food Service. Sending any form of money to school is best done in a sealed envelope with child's first and last name, grade, teacher's name, and amount enclosed for lunch account labeled on the outside of envelope. If money is for more than one child, please indicate amount for each child's account.

### Section 4 On-line Milk/Extra Food Payment

Payment can also be made on-line toward your child's account on the Bucyrus City Schools web page. Parents may pay and monitor their child's account on-line through PAYSCHOOLSCENTRAL via the food service page. Please click on the "apple" or Food Service link at the left of our main webpage.

### Section 5 NO Restaurant Food

Due to restrictions by law, commercial food is not permitted to be brought into the cafeteria by

60 to 69 = D Minimum Acceptable Achievement  
 0 to 59 = F Unacceptable Achievement  
 S = Satisfactory  
 N = Needs Improvement  
 U = Unsatisfactory

## Section 2 Reporting Periods

Students will receive a report card at the end of each 9-week period indicating their performance for each course of study for that portion of the academic term as listed on the district calendar. Grades can also be viewed on your child's Power School account.

## Section 3 Student Assessment

State-mandated assessment tests are given to Grades 3, 4, 5 students to monitor progress and determine educational mastery levels. These tests help the staff determine instructional needs.

The Developmental Reading Assessment (DRA) **may be** given as multiple times per year in grades K-3 to help determine if students are on-track with reading progress.

**iReady** tests are given grades K-5 three times per year to assess student progress in reading and math. These assessments are also used to determine educational needs and on-track progress of students. Result reports are to go home after each administration.

## Section 4 Field Trips

Field trips are academic activities that are held off school grounds. There are also other trips that are part of the School's co-curricular and extra-curricular program. No minor student may

participate in any school-sponsored trip without parental consent and a current emergency medical form on file in the office. Medications normally administered at school will be administered while on field trips. The Student Code of Conduct applies to all field trips.

- ▯ Attendance rules apply to all field trips.
- ▯ While the District encourages students to participate in field trips, alternative assignments will be provided for any student whose parent does not give permission for the student to attend.
- ▯ Students who violate school rules may lose the privilege to go on field trips.

## Section 5 Specialized Programs

**Enrichment Education:** All **second and fifth grade** students are administered the **NNAT3 Assessments** in the **winter** to identify students who may be eligible for the enrichment education program. Teachers and/or parents may recommend students for enrichment education evaluation. The school district ensures equal opportunity for all district students identified as gifted to receive any services offered by the district.
