Crawford County D.A.R.E.

October 2022

The Drug Abuse Resistance Education (D.A.R.E.) program began in Crawford County in 1989 and after 32 years, the Bucyrus-Crawford DARE program serves several schools in Crawford County, including:

Colonel Crawford	Wynford
Buckeye Central	Crestline
Crestline Village Schools	Sacred Heart School
Saint Joseph Catholic School in Crestline	Bucyrus City School

This yearly funding letter reflects the fact the DARE is largely funded by gifts, donations and grants from the local community. All salaries are paid for by local law enforcement. Your donations go directly to supporting the program.

Over the years, donations have not kept up with the costs involved. So we kindly request your consideration as you give to DARE this year. This money helps fund material and gifts for graduation and the D.A.R.E. Rally (6th Grade)

The DARE program in Crawford County is a properly registered and audited non-profit organization in the State of Ohio and with the Federal Government (IRS). We will provide you with receipts upon request.

DARE teaches our children to resist drugs and violence, starting in Kindergarten and continues through the 6th grade and even into the High Schools.

What better time to support this program and support the future of our children.

Our children are our FUTURE. Won't you please join Sheriff Scott Kent and D.A.R.E. Deputy Christopher Martin, by investing in the lives of our children and teenagers through your generous donation to DARE?
