- Build this program that we started last Summer with The Music Man.

We want to continue the successful program we have started with the Summer Community Musical and continue to build. This will be an excellent project between the school, community, and the art club.

THE WIZARD OF OZ is a production I have a lot of experience with having been involved in 3 prior productions over the years in the surrounding communities. It is a sure success and can involve a lot of youth!

Thank you,
