IT IS THEREFORE AGREED:

1. The Board hereby contracts with the Consultant as a consultant beginning July 24, 2023, and ending July 31, 2023, providing Transition Services in the Board’s buildings for meetings and tours, to become familiar with the buildings, the staff, and the culture of the school and of the central office, to begin to learn Board policy and administrative practices, and to begin to create plans for the Treasurer position and for her term which begins on August 1, 2023.

Accordingly, she is responsible for the payment of any income taxes or other tax obligations on her earnings under this contract and is responsible for her own workers’ compensation and other coverage.
