

## STUDENT ACCIDENT INSURANCE

### K-12 MANDATORY COVERAGE

Accidents happen. Guarantee Trust Life Insurance Company (GTL) is here to help protect your school district from the burdens that can result when there is an accidental Injury to a student in your school district.

GTL's Blanket Accident coverage helps provide protection for all students enrolled in the school district as well as participating in school-sponsored interscholastic sports and Covered Activities (interscholastic tackle football coverage is not covered unless optional coverage is elected for an additional premium—school must have already purchased the School-Time Student Accident coverage in order to elect tackle football coverage).

### AT SCHOOL PROTECTION:

The student is protected while attending regular School-Time sessions. In addition, coverage is provided while participating in (or attending) Covered Activities exclusively organized, sponsored and solely supervised by school employees. This includes travel directly to and from the activity in a Designated Vehicle furnished by the school and supervised solely by school employees. The student is covered while engaged in sports, except for interscholastic tackle football (unless optional coverage is purchased).

#### Coverage Highlights:

- Up to a \$5,000 Maximum Benefit per Injury
- \$0 Deductible
- Excess Coverage to any other Valid and Collectible Insurance
- 100% participation
- Includes coverage for sports and Covered Activities exclusively organized and sanctioned by the school
- Includes coverage for Off-Season Physical Conditioning
- Interscholastic tackle football coverage is available for an additional premium per team

The coverage will pay medical expenses for a covered Accident provided the expense begins within 30 days of the Accident and is incurred within 52 weeks from the date of the Accident. Loss must result directly and independently of all other causes.

Benefits provided by this coverage are payable for the Medically Necessary, Reasonable and Customary expenses actually incurred while the Policy is in force for any one covered Accident.
