Dear Mr. Britton,

After thirty-four years of teaching, I wish to notify the administration and the board of my intent to retire at the completion of the 2023-2024 contract year. This will be effective May 31, 2024.

I have enjoyed my position as a math teacher at Bucyrus High School, Bucyrus Middle School, and Bucyrus Elementary School.

Sincerely,

A handwritten signature in cursive script that reads "Jacqueline Fruth".
