

11 March 2025

Dear Bucyrus City School Board Members,

After what will be 33.57 years of teaching, I will be retiring effective May 31, 2025. As such, I am requesting that any and all severance pay due to me be transferred into my Ohio Deferred Compensation account.

I have enjoyed my time teaching at Bucyrus High School, and I will miss many of my colleagues, whom I now call friends. Mostly, though, I will miss my everyday interactions with students. I became a teacher because I love helping kids improve their skills while gaining confidence in themselves. I hope I have been successful with at least a few of the many students with whom I have had the pleasure to have in class. Certainly, our kids have had a profound impact on me.

Thank you for allowing me to be a part of the Bucyrus City School's mission to create well-rounded and informed students. Simply put, the pleasure has been all mine.

Sincerely,

Shannon Henize
