Matt,

I want to thank you for the opportunity to coach the Golf Team at Bucyrus last year. We had an enjoyable year and I think the kids had fun and improved throughout the year. I am resigning as Coach for the upcoming year to pursue other opportunities not school sports related.

Again, thanks for the time I got to spend and coach the athletes of Bucyrus High School. I will also be around to help the next coach with the simulator and whatever he or she needs for the upcoming golf season.

Sincerely,
