Dear Dr. Singh, Mr. Britton, and Bucyrus City Schools School Board Members,

I am formally resigning from my position as a teacher at Bucyrus City Schools, effective at the conclusion of my contract for this school year. This was a decision that came after much deliberation and thought. I appreciate all the opportunities I have had over my 6 years here at Bucyrus City Schools. I am wanting to focus more on my own family at this time and pursue my masters degree.

Sincerely,

Nicole Bostic
