WHEREAS, it is the mutual desire of College and Affiliate to have teaching programs that are in the public interest and benefit education, professional, and public service; and

WHEREAS, it is the mutual desire of the parties to affiliate pursuant to this Agreement in order to provide education to the College's Program students at Affiliate (hereinafter referred to as "practicum program");

NOW, THEREFORE, in consideration of the above premises and the mutual promises and agreements hereinafter set forth, and the performances of them, the parties do hereby mutually promise and agree as follows:

If the parties desire to renew the Agreement for a subsequent term or terms they will do so by executing a written successor agreement prior to expiration of the term of this Agreement.

Either party may terminate this Agreement by giving the other party a sixty (60) day written notice of termination, provided, however, that the parties will use their best efforts to ensure that students then participating in the practicum program are able to complete their practicum program. - C. To submit to Affiliate, no later than two weeks before the students are to start, the curriculum, the affiliation syllabus with course objectives and necessary evaluation forms to be completed for each student. Students and On-Site Faculty shall not transfer, retain or remove PHI outside of CMHP, whether by whether by oral, written, or electronic means. Students and On-Site Faculty shall not use or disclose any PHI for any purpose outside of the immediate training and patient care setting at Affiliate including but not limited to disclosure for educational purposes (e.g., summaries, evaluations, consultations, lectures, meetings, presentations, emails, correspondence or reports regarding this educational experience) without obtaining a written authorization from the patients involved.
- H. The College will comply with all applicable laws, regulations and generally accepted professional guidelines and standards, including those related to occupational safety, and quality of patient care.

The College shall provide Affiliate with proof of insurance for each student prior to that student beginning the clinical experience at Affiliate.

### **III. Affiliate Responsibilities**

- B. Affiliate shall maintain ultimate responsibility and authority regarding care and services shall be responsible for its clients and/or residents at all times, and shall not rely on students in any way to provide required care and/or services to clients and/or residents. - F. Affiliate agrees to use its reasonable efforts to incorporate the College's curriculum and assist with compliance with the goals and objectives for practicum.
- G. Affiliate will provide a staff who will serve as a liaison between Affiliate and the College. Affiliate agrees to provide the liaison with time to plan and implement the practicum program as deemed reasonable by Affiliate including, when feasible, time to attend relevant meetings and conferences. The liaison will be responsible for recording attendance and evaluation of the student.
- H. Affiliate shall secure and maintain professional and general liability insurance in minimum amounts of one million dollars (\$1,000,000) per occurrence and three million dollars (\$3,000,000) for its employees, directors, and officers. Affiliate shall provide College with proof of insurance prior to students beginning the practicum program at Affiliate.

- I. The practicum program is educational in nature. The College's students will not substitute or replace Affiliate personnel.
- J. If required by law, Affiliate shall attempt to obtain the informed consent of each patient, client, resident, and prisoner to the participation of the students in the practicum program in practicum activities involving the client, or resident. In the event any client any/or resident does not consent to the participation of a student(s) in practicum activities involving that client and/or resident, Affiliate reserves the right to exclude students from practicum activities involving that client and/or resident.

#### **IV. Joint Responsibilities**

- A. The College, student and Affiliate will initially assist in developing expectations for the practicum.
- B. Affiliate reserves the right to restrict the practicum program of activities of students who evidence symptoms of communicable infections until such time as the symptoms abate or the student is determined by Affiliate not to be infectious.
- C. Affiliate reserves the right to restrict student involvement in procedures, tasks and/or care and treatment of clients and/or residents as deemed necessary by the Coordinator or other Affiliate staff.
- D. Affiliate reserves the right to immediately terminate the placement of a student at Affiliate's location if Affiliate reasonably believes that the student is disruptive to Affiliate, poses a threat to the safety and well-being of Affiliate's clients and/or residents and/or employees, does not meet Affiliate's standards and policies for good care, health, safety, dress, appearance or ethical behavior, or privacy. To the extent possible, as determined by Affiliate, such action will not be taken until the grievance against the student has been discussed with an appropriate and authorized representative of the College. However, if the student's behavior poses an immediate threat to the effective delivery of services to clients and/or residents of Affiliate, Affiliate may take such action immediately and without consultation of the College's representative. The College acknowledges, and will inform its students, that such a decision is solely for Affiliate to make and that a student subject to this provision may not be entitled to any due process rights prior to such a decision.
- E. Each party agrees to be responsible for any personal injury, property damage, or other liability caused by the negligent acts or negligent omissions by or through itself or its agents, employees, and contracted servants and each party

further agrees to defend and be solely responsible for itself and themselves and pay any judgments and costs arising out of such negligent acts or negligent omissions, and nothing in this Agreement shall impute or transfer any such responsibility from one to the other.

- F. Neither party shall use discriminatory practices in assignment, acceptance, or evaluation of students. Students shall have equal opportunity to participate in the practicum program with respect to race, color, religion, national origin, sex, age, disability, ancestry, military status, or any other characteristic protected by state or federal law.
- G. Both parties agree that there will be no financial compensation for the services provided during the term of this Agreement whether to students, the other party, or otherwise.
- H. Both parties expressly acknowledge that College students are not employees of Affiliate or the College, and that Affiliate and the College are not the employer of any student for the purposes of this Agreement. However, solely for the purpose of defining their role in relation to the use and disclosure of Affiliate's protected health information, such students and On-Site Faculty are defined as members of the Affiliate's workforce, as that term is defined by 45 C.F.R. 160.103, when engaged in activities pursuant to this Agreement.
- I. Each party acknowledges that information (if any) received from the College regarding its students may be protected by the Family Educational Rights and Privacy Act ("FERPA"), and agrees to use such information only for the purpose for which it was disclosed and not to make it available to any third party without first obtaining the students written consent.
- J. Compliance with Law. The parties specifically intend to comply with all applicable laws, rules and regulations as they may be amended from time to time. If any part of this Agreement is determined to violate federal, state, or local laws, rules, or regulations, the parties agree to negotiate in good faith revisions to any such provision. If the parties fail to agree within a reasonable time to revisions required to bring the entire Agreement into compliance, either party may terminate this Agreement upon sixty (60 days) prior written notice to the other party. Affiliate further affirms that it has all of the approvals, licenses, or other qualifications needed to conduct business in Ohio and that all are current. If at any time during the term of this Agreement Affiliate, for any reason, becomes disqualified from conducting business in the State of Ohio, Affiliate will immediately notify the College in writing.

- K. Compliance with Federal Programs. Affiliate hereby represents and warrants that it has not been debarred, suspended, excluded or otherwise determined to be ineligible to participate in federal healthcare programs (collectively, “Debarred”) and acknowledges that College shall have the right to terminate this Agreement immediately in the event that Affiliate is Debarred. Accordingly, Affiliate shall provide College with immediate notice if Affiliate (i) receives notice of action or threat of action with respect to its Debarment during the term of this Agreement; or (ii) becomes Debarred.
- L. Rights in Data. The College shall have the unrestricted authority to reproduce, distribute and use (in whole or in part) any reports, data, or materials prepared by Affiliate pursuant to this Agreement. If Affiliate has reason to believe that use of a specified item is subject to patent or copyright protection, Affiliate shall immediately notify the College.
