

July 1, 2025  
Superintendents:

As the Wood County Educational Service Center Education Program enters the new year of operation, it is a distinct pleasure to thank you for your support and cooperation. The education program is successful due in no small way to the open and positive attitudes of the school districts it serves. Together, a partnership has been established that will continue to serve the educational needs of adjudicated and delinquent students from your school district.

The education program serves students court placed at both the Juvenile Residential Center of Northwest Ohio, and the Wood County Juvenile Detention Center. JRCNWO is a community corrections facility for the treatment and rehabilitation of adjudicated youth. Education programming constitutes an important facet of every youth's treatment program.

The education program will continue to utilize the direct billing method that has been employed for the previous years.

Student success is vital to all involved in education. It is especially important to realize that students sent to JDC and JRC are entitled to the same opportunities for success as students enrolled in other traditional and non-traditional programs. Toward this end, the education programs at JDC and JRC are accredited education options written in conjunction with the Ohio Department of Education and Workforce. This allows the student to earn school credit for the time they have been placed in JDC and JRC. Please encourage your staff to assist the education program. We appreciate your help in sending the current IEP and ETR upon the student's arrival to the facility to best meet their needs. State testing documents should be scheduled in advance of the planned date of administration please.

Please sign the enclosed agreement and return it to Mrs. Christy Spontelli, Education Director, Juvenile Residential Center, 1012 South Dunbridge Road, Bowling Green, Ohio 43402. The academic calendars for these programs can be found on the Wood County Educational Service Center website.

Sincerely,

A handwritten signature in black ink that reads "Christy Spontelli". The signature is fluid and cursive, with the first name "Christy" written in a larger, more prominent script than the last name "Spontelli".

Christy Spontelli  
Education Director
