Dear Members of the School Board,

I hope this letter finds you well. I am writing to formally announce my retirement from my position in the Food Service Department at Bucyrus Elementary School, effective December 1, 2025. After 22 years of dedicated service to the students, I feel the time has come to step into the next chapter of my life.

It has been an honor to contribute to the school district and to support the important work of providing healthy, nutritious meals to the students. Throughout my time here, I have witnessed the positive impact that our food service team has had on students' daily lives, and I am proud to have been a part of that mission.

I want to express my deepest gratitude to the Board, my colleagues, and the entire school community for the support and trust over the years. It has been a fulfilling career, and I will cherish the memories and experiences I have had connecting with the students at Bucyrus City Schools.

Thank you once again for the opportunity to serve the district. I wish the school board, staff and students continued success in the future.

Sincerely,

Angelika Lederer
Food Service Department
