

February 6, 2026

Dear Mr. Britton and Bucyrus City School Board Members,

I will be resigning from my position at Bucyrus City Schools as a Family and Student Advocate. My last day of employment will be Monday, April 6 2026.

I cannot express what an honor it has been to provide support to the students and families of our district. To sit with them in times of joy, accomplishment, turmoil, and sorrow has impacted my life in ways I cannot express. I will carry the memory of so many of them with me—keeping them in my thoughts and hoping for the very best for them.

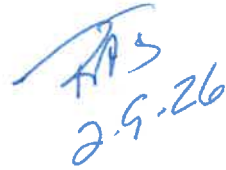

The personal and professional relationships I formed with my colleagues have been fantastic. What a wonderful group of people!

Thank you for all that Bucyrus City Schools has provided me and my family. I wish the district only the very best!

Sincerely,
