Please accept this email as my resignation notice. My last available day to work will be March 6th. After that date, if you need a substitute on Fridays or for Friday trips, please feel free to let me know, as I would be willing to help when possible.

This was not an easy decision to make. After much thought and discussion, I've realized that I am unable to make ends meet at this time while also managing ongoing medical matters.

I greatly appreciate the opportunity I have had to work with and represent the Bucyrus City School District as a bus driver.

Thank you for your understanding.

Sincerely,  
Paige Kilby
