

4/17/2020

Dear members of the Bucyrus City School Board, Mr. Britton, BES Administration and Renhill,

I am writing to formally announce my retirement from my position as the Health Care Monitor at Bucyrus Elementary School. It has been a pleasure being part of my Alma Mater and caring for our students. The time has come for me to move on to the next chapter of my life.

Thank you for your trust in me while caring for our students. I have enjoyed my time working at BES and I have many fond memories of the students and staff.

Sincerely,

Jacquilyn Shell
