Bucyrus City School District
Attn: Bob Britton, Superintendent
170 Plymouth St.
Bucyrus, OH 44820

It is the sole responsibility of the corresponding school district to provide 1-1 aides for the identified and agreed upon student(s). In the event that the provided 1-1 aide is not available and the school district cannot provide a substitute, and the County Board is able to provide a substitute to fill this role, it is agreed to that the school district of responsibility will reimburse the County Board for the substitute provided. Crawford County Board of Developmental Disabilities will send an invoice in January (September through December) and in June (January through the end of the school year) to the district for any sub services utilized at the CBDD expense. Remittance is due upon receipt of the invoice.

This letter serves as an agreement between your school district and the Crawford County Board of Developmental Disabilities-Fairway Preschool for reimbursement of that cost for the 2026-2027 school year.

The substitute aide rate for the 2026-2027 school year will be: **\$20.18 per hour**

Should the position not be filled within 30 calendar days of the need, the rate will increase to: **\$30.25 per hour**

You are being sent two copies of this agreement. The Fairway Preschool Director, and the CCBDD Superintendent have already signed both copies. Please have your Superintendent sign both copies and keep one for your records and either mail, fax, or email one back to us. There is a self-addressed stamped envelope included.

As always, we appreciate your support and enjoy working with your district.

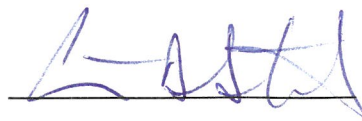

Sincerely,
